

TEAMWORK

Profile of managing partner

ASIF BEEBEEJAUN ACA : Asif is a member of the Institute of Chartered Accountants in England and Wales with over 20 years of experience. Asif founded Clarkson & Associates, Chartered Accountants in June 2008 and he currently has 8 staff working in his team. Before setting up the practice, he was the Fund Manager of a Euronext quoted fund with USD350 million under management. The fund was invested through its Mauritian subsidiaries across the Indian real estate sector. Prior to that, Asif was the Chief Financial Controller within the property development cluster of CIEL Group which is one of the leading industrial and investment groups in Mauritius. Asif had previously worked as Assistant Manager with KPMG London where he spent four years in the Information, Communication and Entertainment Assurance division. During that time he was seconded to KPMG Luxembourg and spent a year in the Investment Fund Audit Group.

Range of services

Audit and Assurance : Where an audit is required, our approach is designed to add value to our clients' businesses and produce positive benefits from our procedures.

Accounting and bookkeeping : We offer a comprehensive range of services to set you free from the grind of routine administration. These include maintaining accounting records; preparation of periodic statutory financial statements including consolidation works (under IFRS).

Consultancy services : We help organisations to formulate sound strategies and take the right decisions. Our services include preparation of feasibility studies; business start-up procedures; business valuations; internal controls and system implementations.

Insolvency Services : During liquidation process, we can help minimise the worry and stress by guiding directors and shareholders through their legal obligations and helping other stakeholders through the process in the shortest timeframe.
